Sir:

This communication is responsive to the Office Action of June 15,

2009.

Extension Request
Please extend the term for
response by 1 month and
charge to acc. no. 26-0085

I. ZBOROVSKY

In the Office Action the Examiner indicated that the application contained two inventions, name:

A soap bubble blowing device in Group I dealings with claims 21-34,

and

a composition of a soap bubble, defined in claims 35-40 Group II.

The Examiner indicated that it is necessary to elect for further prosecution one of the inventions.

With the present communication applicant elected for further prosecution the invention of Group I, namely a soap bubble blowing device.

Claims 21-34 are readable on the elected invention.

It is respectfully requested to prosecute further the above mentioned invention and claims 21-34.

Consideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance; he is invited to telephone the undersigned (at 631-243-3818).

Respectfully submitted,

Ilya Zborovsky
